

Brief Speaker Bio

Pronunciation | Ifetayo (E-fay-tie-o) Ojelade (Oh-jay-lah-day)

Dr. Ifetayo Ojelade is a Licensed Psychologist with an interest in assisting people to heal, in order to take their careers and personal lives to the next level. As an expert on trauma recovery, Dr. Ojelade works with healthcare, legal, and safety professionals to manage secondary trauma (e.g. compassion fatigue) in the workplace. She has a particular interest in Women leaders of color in these high stress roles. She works as a keynote speaker and workshop facilitator globally. Dr. Ojelade is the founder and Executive Director of *A Healing Paradigm, LLC*; a wholistic wellness center providing counseling, psychological testing, wellness, and educational programming for the entire family. She is the past president of The Metro Atlanta Association of Black Psychologists and is listed in Who's Who in Black Atlanta. In addition, she serves as the resident psychologist for the Derrick Boazman Show in the Atlanta, Georgia market and is affectionately known as Dr. Ife (E-fay).
